

## GLOBALIZATION AND SOCIAL CHANGE

BIP 1026

GRADUATE PROGRAM

5 ECTS

### COURSE DESCRIPTION

This course emphasizes the social changes as a process in the society as the impact of modernization and globalization. By focusing on Bali as a case study, this course is aimed at introducing and exploring the social change brought by globalization from the local perspective. The identification of issues, problems, and conflicts in Balinese society from family life, society life as well as the state level is critically presented and discussed to develop a comprehensive analysis and provide the competency to manage the conflicts from various perspectives.

### OBJECTIVES

- to comprehend the basic concepts of social change and understand it theoretically
- to understand the classical and modern theories of social change
- to comprehend globalization as a historical process and its multidimensional aspects
- to introduce the issues of social changes in Bali as the impacts of globalization
- to understand the local perspectives in seeing the issues and conflicts arising from social changes
- to develop the competency to manage the issues of social changes in Bali from wider perspectives

### ASSESSMENT METHODS:

Assignments and discussion: **30%**  
Middle Semester Test: **30%**  
Final Semester Test: **40%**

### LECTURERS

1. Putu Titah Kawitri Resen, S.I.P., M.A
