

**WARMADEWA INTERNATIONAL PROGRAM (WIP)
WARMADEWA UNIVERSITY**

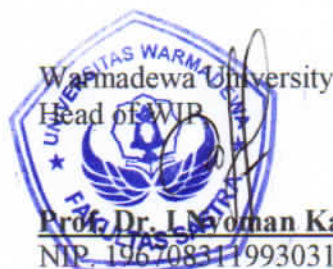

Warmadewa University's Warmadewa International Program (WIP) is an international and interdisciplinary study program taught in English. The program offers courses in business, culture and society, ASEAN economics and language. WIP is offered by Warmadewa University's Faculty of Arts and Humanities (Fakultas Sastra). The program features lecturers with diverse international backgrounds.

WIP consists of the following eleven courses:

- Indonesian Language 6 ECTS (WIP41B01) - Undergraduate
- Indonesian Historical and Cultural Studies 5 ECTS (WIP41B02) – Undergraduate
- Tourism Development in ASEAN 5 ECTS (WIP41B03) - Undergraduate
- International Business and Marketing 5 ECTS (WIP33B04) - Undergraduate
- International Business Law 5 ECTS (WIP10B05) – Undergraduate
- Environmental Management and Sustainability 5 ECTS (WIP51B06) – Undergraduate
- Political Ideologies in Indonesia 5 ECTS (WIP21B07) – Undergraduate
- Organizational Development and Human Resource Management 5 ECTS (WIP33B08) - Undergraduate
- Economy & Business of ASEAN 5 ECTS (WIP33M01) - Graduate
- Strategic Management and Planning 5 ECTS (WIP33M02) – Graduate
- Entrepreneurship and Business Management 5 ECTS (WIP33M03) - Graduate

The studies in the program are full-time. Credits for all courses are granted in ECTS points, including 145-171 study hours per course. Students may choose between 3-7 courses (15-36 ECTS) in total. Most of the courses are on an undergraduate (Bachelor) level, but Economy & Business of ASEAN, Strategic Management and Planning and Entrepreneurship and Business Management are graduate (Master) level courses.

At Warmadewa University, the total scope of a Bachelor's degree is minimum of 144 Indonesian credits, and 160 credits maximum. One Indonesian credit requires 16 hours of work including mid-term and final exams. The length of the Bachelor's program is four years and a total of 8 semesters. The minimum requirement per semester is 16 Indonesian credits. Each course is mostly worth local 2 credits. There are a few courses worth 3 or 4 credits. Local students generally accomplish 8-12 courses per semester.
