To Whom It May Concern,

Subject: Course Levels

The attached table provides an overview of the course levels on the "International Study Program, Phuket (ISPP)" at Prince of Songkla University, Phuket Campus. The courses on the ISPP program are part of the B.B.A. in Hospitality Management and B.B.A. in Tourism Management degrees at Faculty of Hospitality and Tourism, Prince of Songkla University, Phuket Campus.

To be allowed to enrol in the ISPP program, local students are required to have successfully completed their first academic year of studies.

The physical education (PE) courses are a supplementary part of the Faculty of Hospitality and Tourism curriculum. PE courses are highly recommended for students as they improve students' physical wellbeing and intercultural competence.

Please note that a selection of PE courses will open during each semester. However, all might NOT be available in every semester. The finalized list of available courses during your study period will be released approximately 4 weeks before the start of the semester.

Yours Sincerely,
