| Note | | <p>[Application]</p> <ol style="list-style-type: none"> Students are responsible for their own dormitory application. Checking “Yes” in the exchange or visiting program application is not the actual dormitory application. So, please complete your application on your own as informed later. Due to limited quota in dormitory, we do not accept late housing application and payment, so please complete your housing application and payment within deadline. During the application period, rooms might be already full on the day when you are applying, but please do not panic. The dorm admin team will open extra rooms <u>the day after at 10:00 during application period</u>, so please try again. If you want to be roommate with your friend, please do not forget to inform OIA by the email to ericaincoming@hanyang.ac.kr. <p>[Payment]</p> <ol style="list-style-type: none"> Dormitory fee differs upon the building type and duration of stay. You MUST transfer the housing fee exactly to <u>your own virtual bank account number</u> that is automatically assigned to all respective students by Hanyang University. You will receive the relevant information once accepted. Payment in installments are not allowed, only <u>payment at once are available</u>. Credit card payment is not allowed, only <u>wire transfer is available</u>. (In Asia, not IBAN but <u>BIC/SWIFT is mostly used</u> for verification) | |

5. We strongly recommend you proceed international wire transfer as the exact amount of housing fee in KRW can arrive. But if transferring Korean Won is not possible, please send the fee in USD adding extra amount of USD 50 (equivalent to KRW 55,000) considering transfer fee deducted from intermediary banks. Dormitory admin team will give you a refund for extra-paid fee after your check-in. If less paid, you will be required to pay the rest when you check in.

6. You can receive the receipt of dormitory payment from dormitory administrative team in Changeigwan (2nd floor) after your arrival.

[Refund]

1. Refund rate is different period by period, and the exact information will be shared later.
2. Wire transfer fee (appr. USD 25~50) is students' responsibility.

[Others]

1. Students who want to stay in dormitory are required to submit Tuberculosis(TB) test result. As Hanyang will organize TB test schedule, you do not have to take the test before arrival. You will be informed more on this during orientation.
2. You can buy beddings (pillow, linen cover) from Korean company designated by Hanyang. Detailed information will be given later.
3. Access to dormitory facilities can be highly limited upon the policy against the COVID-19 on campus.
4. An availability of having 2-week quarantine in the on-campus dormitory will be informed later.
