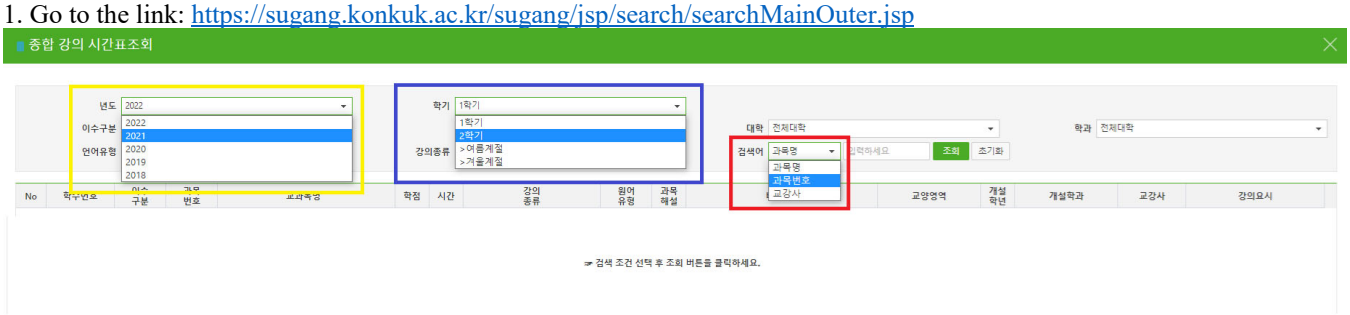
1. Go to the link: https://sugang.konkuk.ac.kr/sugang/jsp/search/searchMainOuter.jsp



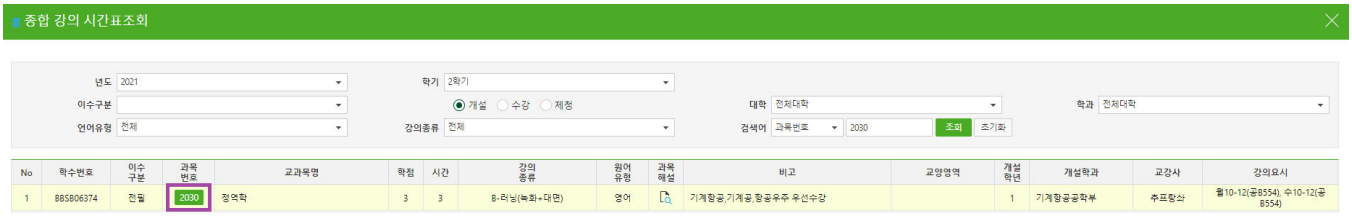
2. (Yellow Box) Go to “년도”=Year, and select the year.

3. (Blue Box) Choose “1 학기” for Spring Semester or "2학기" for Fall Semester

4. (Red Box) Choose "과목번호"=Course Number for searching query

Now you are set to search for the syllabus for the courses offered in specific Year/semester

Put the number of a course from the list I provided.



5. (Purple Box) Click the number of the course to access the syllabus

6. (Orange Box) Click the Print Button to save the syllabus in PDF format.

Please let me know if you have further questions or requests.
